HELPFUL PACKING TIPS

- Put your full name on all personal items.
- Don't overpack! A common mistake is to take too many clothes, unnecessary toiletries, etc. You must be able to carry your own luggage. Usually one suitcase and a backpack are sufficient.
- Be sure to follow the TSA restrictions on the amount of liquids or gels that can be packed in carry-on bags. You can bring a single 1-quart-sized zip-top clear plastic bag with 3.4-ounce bottles or less.
- Don't forget that WorldStrides doesn't cover checked baggage fees. To avoid these fees, you may bring a carry-on suitcase and a backpack on the plane.
- If traveling by air, adults (18 years and older) must carry a photo ID (driver's license, ID card, passport, etc.) that matches the name on your ticket.
- Make sure to have alcohol-based hand sanitizer on the plane/bus (pack it in your carry-on).
- Food service on planes and in airports may be limited, so be sure to bring snacks.
- Remember to pack prescriptions and essential items in your carry-on and consider bringing extra with you in case of emergency.
